BRICS IN SA
Diverse regions, shared objectives

On Wednesday, 28 March 2018, the BRICS Sherpa, Dr. Wendy Luhellyn, briefed students at the University of the Western Cape on the BRICS process.

The briefing was held just before the Second Meeting of the BRICS Sherpas/Sous Chefs d’Etat Generaux of Asia and Middle East of DIRCO, on 20 June 2018 in Pretoria, South Africa.

BRICS OUTREACH
Profiling, benefits, citizen buy in

On the sidelines of the Second Meeting of the BRICS Sherpas, the BRICS Sherpa/Sous Chefs d’Etat Generaux of Asia and Middle East of DIRCO, held a meeting on 20 June 2018 in Pretoria, South Africa.

The meeting focused on the BRICS Sherpa’s role in promoting and profiling the BRICS process to citizens and stakeholders.

Message from the President

South Africa’s President, Mr. Cyril Ramaphosa, welcomed BRICS leaders, particularly Minister of International Relations and Cooperation, Lindiwe Sbusisi Zulu, who visited the country on 4 June 2018 in Pretoria, South Africa.

The President emphasised the BRICS process and its prioritisation:

• Economic growth and development
• Energy cooperation
• Trade and investments
• Important social and human rights issues
• Environmental sustainability

Did you know?

• The BRICS process is leading to increased trade and investments.
• The BRICS members have made significant progress in the areas of energy cooperation, trade and investments, and social and human rights.
• The BRICS process is also focusing on environmental sustainability.

Coming up

• The BRICS process will continue to focus on economic growth and development, energy cooperation, trade and investments, and social and human rights issues.
• The BRICS process will also focus on environmental sustainability.
